

REMARKS

Applicants have discovered typographical discrepancies during a review of the application and request that these amendments be entered to update the cross reference information and correct these minor formalities prior to issue as allowed by 37 C.F.R. §1.312. With respect to the title, Applicants have amended the title to omit reference to any specific claim type. Applicants respectfully submit that these amendments do not add new matter or change the scope of the patent application in any manner and request that the amendments be entered prior to patent issue.

CONCLUSION

In view of the foregoing amendments, Applicants respectfully request that the amendments made to the present application be entered prior to patent issue, as allowed by 37 C.F.R. §1.312. If the Examiner has any questions or comments concerning this matter, the Examiner is invited to contact Applicants' undersigned attorney at the number below.

Respectfully submitted,
